

## The gateway to global recognition Now in Malaysia

### What is the CF qualification?

The CF qualification offers a stimulating and challenging learning experience that provides accelerated development and immediately demonstrable skills required by this fast-moving industry. Those who have successfully completed the required stages of the qualification and acquired the requisite work experience will be awarded the CF designation. It will denote their success, status and commitment to professional excellence.

### Why choose the CF qualification?

- The only specialist examination tailored to the demands of corporate finance
- A highly practical qualification examined via real-life business case studies
- Globally recognised with students participating in the program world-wide
- Tiered in three stages so that progress in exams can mirror the progress in careers
- Senior Practitioner led tuition at the Advanced Diploma stage

### Benefits to You

- International recognition and mobility
- Signifies expertise, inspires confidence and carries prestige across the globe
- Creates unique contact with today's corporate finance leaders
- Provides opportunity for networking with a wide range of fellow corporate finance professionals

### Benefits to Your Employer

- Accelerates professional development & fast tracks management potential thus adding value to the bottom line
- Practical application & assessment leads to a combination of best practice skills and technical expertise that can be used immediately within the workplace
- Flexible learning packages allow minimal time away from the office
- Raises the global corporate finance capabilities of the organisation

### CF Qualification in Malaysia

- Designed for corporate finance practitioners and graduates aspiring to seek the qualification from banking, accountancy, law, private equity, consulting etc
- Creates a pathway for students who have completed the SIDC Certificate to pursue Diploma & Advanced Diploma
- Focuses on local case studies and regulatory papers which provide local licensing approval
