

GANESH SANGARAN

CORPORATE LEARNING SOLUTIONS SDN BHD

Ganesh, who has a MBA is a highly experienced practitioner with 20 years working experience. He is currently the Director of Corporate Learning Solutions Sdn Bhd, a one stop centre for training needs of organizations. Starting his career in the insurance industry he has hands on practical knowledge on how to motivate teams, speaking to large audiences and create presentations that energize the audience to go all out and achieve success

His hand on approach creates instant understanding with the audience. Participants absorb the key points fast, transforming the lessons into real-life solutions tailor made for their specific situations. He has helped many insurance agents secure large accounts with his corporate presentation training. Many agents have also benefited from his guidance on public speaking.

He has also ventured into customer service in his tenure with a healthcare company. His stint in the army as a 2nd Lieutenant had instilled team building skills, which complements his sales and outdoor experiential learning.

Ganesh was the Head of College of Sales & Marketing , Maxis Academy as well as Service Management for more than 8 years.. In this capacity, he was responsible for the delivery of critical skills, knowledge and mindset to ensure they keep winning in the competitive telecommunication market place. He had trained their staff in business presentations, customer service and team building sessions throughout the Klang Valley.

He has trained staff from the insurance, direct sales, telecommunications, banking, communications, food, logistics, oil and gas and hospitality industry.

Among his achievements include:

- He is also a Certified Master NLP-NS Practitioner of Neuro-Linguistic Programming, obtained from the International Society of Neuro-Semantics. He uses this skill in providing the latest applications for business and lifestyle success of the participants.
- Besides that, he is certified to conduct Think on Your Feet®, a program that has achieved worldwide recognition as one of the most original and useful oral communications courses taught today.
- Division Governor of Toastmasters International, the world's leading organization specializing in helping people to speak effectively
- Area Champion in the International Speech Contest organized by Toastmasters International, as well being the Division Speech Evaluation Champion.
- He is an Accredited Competency Practitioner, supporting organizations to carry out precise TNA initiatives to create measurable positive changes
- As an exco member of the Malaysian Association of Professional Speakers (MAPS) , he was relentless in his efforts to play a pivotal role in raising the standards of public speaking and presentation of its members. He has delivered key note presentations to corporate in this capacity.
- He is also a certified practitioner of HBDI - a thinking preference business tool that is used effectively to understand individual differences in a team. This tool is used extensively in team building sessions.

Ganesh has appeared as a regular speaker in the national TV program "Be Excellent " which motivates individuals to reach for peak performance. Millions of Malaysians have benefited tremendously from his entertaining and soul searching talks.

Ganesh had delivered key notes on presentation and public speaking to audiences in Kuala Lumpur , Jakarta ,Singapore and Katmandu. He recently spoke in the Global Speakers Summit in Dubai where he addressed an international audience of professional speakers on “Don’t murder your audience ! 5 surefire ways on keeping them alive during the entire presentation.” His last training assignment was a challenging one in Kabul, Afghanistan.
