

MR. MURALEEDARREN

MHRM & IR (Australia), LLB (Hons) London

Mr. Muraleedarren has a Law degree from the University of London and a Masters in Human Resource Management and Industrial Relations. His experience in facilitation started in 1990 when he was lecturing and tutoring law students. This was followed by a corporate stint in 1990 when he joined the insurance industry as a corporate agent and later ventured into product design for insurance companies. In 1997, he became an associate trainer and did training primarily in the area of performance management. During this time he has singly and jointly designed as well as written training manuals for financial institutions.

Since 2000 the company moved into people process workshops. He is the CEO and Principal Consultant and Facilitator for *GRiP Training & Workshops Sdn Bhd*. He specializes in the area of people development and conducts various workshops & programs related to people skills development.
