# SC LICENSING EXAMINATION

## Preparatory Courses

# INTRODUCTION

The preparatory course series is designed especially for candidates who are preparing for the SC Licensing Examinations. Led by experienced speakers, the topics covered are in accordance with the SC licensing examination of the respective modules.

- Candidates who are preparing for the SC Licensing Examinations
- Individuals who wish to be licensed under the Securities Commission.
- New entrants to the capital market industry. Employees of stockbroking and investment companies are highly encouraged to attend.

## WHO SHOULD ATTEND

## MODALITIES

All preparatory courses are conducted with a maximum of only 25 participants to facilitate effective learning via:

- ▣ Presentations
- ▣ Discussion
- ▣ Hands-on experience with the Computer-Based Examination (CBE) system with sample question set
- ▣ Revision and feedback on the sample question set

SECURITIES INDUSTRY DEVELOPMENT CORPORATION (SIDC), a leading capital markets education, training and information resource provider in ASEAN is the training and development arm of the Securities Commission Malaysia (SC). It was established in 1994 and incorporated in 2007.

SIDC has been delivering professional excellence for more than 15 years. We organise training programmes for Malaysian and foreign regulators, company directors and market professionals as well as conduct public investor education seminars on wise investing and investors' rights.

We develop and facilitate training both locally and internationally through a range of programmes and activities, including conferences, seminars, and workshops. In close collaboration with the SC, we develop examination questions and modules and conduct licensing examinations as part of the licensing regime for Malaysian capital market intermediaries.
