LICENSING EXAMINATION STUDY OUTLINE

For January to June 2019 Examinations

(Issued in November 2018)

Module 11 Fundamentals of Compliance

Copyright © Securities Industry Development Corporation

(This document consists of 10 pages including the cover page)

STUDY OUTLINE

MODULE 11: FUNDAMENTALS OF COMPLIANCE

This examination is designed to test a candidate's knowledge and understanding on the concepts and rules and regulations pertaining to the compliance function. It is one of the examinations to be passed by individuals who intend to hold the position of Head of Compliance or Compliance Officer in a firm which is a holder of a Capital Markets Services License (CMSL) who carries on the following regulated activities:

- dealing in securities;
- dealing in derivatives; or
- fund management in relation to portfolio management.

Candidates are advised to refer to the Licensing Handbook for the detailed combination of examinations required for each regulated activity.

Candidates are expected to possess good knowledge and understanding of the subject matter provided in this study outline and specified references. In addition, candidates are expected to have relatively strong capabilities in the application and analysis of information in the module and its references. It is estimated that this module will require a minimum of 120 hours of study time. Candidates may need less or more depending on the education background and work experience.

Candidates are expected to update themselves with the latest changes relevant to this examination as all questions will be continuously updated to reflect these changes. Candidates are permitted to refer to their own prescribed reference materials during the examination. Note that no prescribed reference materials will be provided by the Securities Industry Development Corporation (SIDC). The prescribed reference materials brought into the examinations by candidates are subject to the terms and conditions of SIDC, details of which are set out in the terms and conditions of the SC licensing examinations.

The prescribed reference materials for this module are as follows:

- **Guidelines for Compliance Officers**
- **Compliance Guidelines for Futures Brokers**
- **Guidelines on Compliance Function for Fund Management Companies**
- **Guidelines on Unit Trust Funds**

- Guidelines on Market Conduct and Business Practices for Stockbroking Companies and Licensed Representatives
- Guidelines on Prevention of Money Laundering and Terrorism Financing for Capital Market Intermediaries
- Rules of Bursa Malaysia Securities Berhad
- Bursa Malaysia Securities Berhad Participating Organisations’ Directives and Guidance
- Rules of Bursa Malaysia Derivatives Berhad

Candidates are required to comply with the terms and conditions of the SC licensing examination. Severe penalties will be taken against candidates for any misconduct during the examination.

At the end of this study outline are 5 sample questions of various formats used in the Module 11 examination. The samples provided do not in any way reflect the level of difficulty or the subject-matter distribution of the actual examination. They are merely intended to familiarise candidates with the styles of multiple-choice questions used in the examination.
