**CERTIFIED CAPITAL MARKET PROFESSIONAL:
DEALING IN DERIVATIVES FOR DEALER’S REPRESENTATIVE
ASSESSMENT OUTLINE**

The Certified Capital Market Professional: Dealing in Derivatives for Dealer’s Representative (CCMP- Dealing in Derivatives) assessment is designed to test candidates’ knowledge and skills on derivatives in Malaysia. It is the assessment component to be passed by qualified Capital Markets Services Representative’s Licence (CMSRL) holders for dealing in securities seeking to be additionally licensed for dealing in derivatives. Candidates are advised to refer to the Licensing Handbook for the detailed requirements.

Candidates are expected to possess good knowledge and understanding of the subject matter provided in this outline and the specified references. Candidates are required to complete the CCMP- Dealing in Derivatives eLearning Programme and Trading Simulation prior to sitting for the assessment. It is estimated that the CCMP- Dealing in Derivatives will require a minimum of 80 hours of self-study time (including 8 hours recommended learning hours to complete the CCMP- Dealing in Derivatives eLearning Programme and the 0.5 hours CCMP- Dealing in Derivatives Trading Simulation). Candidates may need less or more depending on their education background and work experience and will be given at least two (2) months access to the eLearning Programme and Trading Simulation prior to sitting for the assessment.

Candidates are expected to update themselves with the latest developments in this assessment as all questions will be continuously updated to reflect these changes. Candidates are permitted to refer to their own prescribed reference materials during the assessment. Note that no prescribed reference materials will be provided by the Securities Industry Development Corporation (SIDC). The prescribed reference materials brought into the assessment by candidates are subject to the registration terms and conditions of SIDC.

Candidates are required to comply with the registration terms and conditions of the SIDC on the conduct of the assessment. Severe penalties will be taken against candidates for any misconduct during the assessment.
