STUDY OUTLINE MODULE 19B: ADVISORY SERVICES (RULES AND REGULATIONS) - PART B

This examination is designed to test candidates' knowledge and understanding of the rules and regulations governing the advisory services in the Malaysian capital market. Candidates will need to pass this examination together with Module 19A: Advisory Services (Rules and Regulations) - Part A to be considered as having completed the rules and regulations examinations:

- (1) for an application for a Capital Markets Services Representative's Licence (CMSRL) to carry on the regulated activity of Advising on Corporate Finance; or
- (2) for those who intend to be employees of registered persons who carry out the capital markets activities as stipulated in Item 2, Part 1 of Schedule 4 of the Capital Markets and Services Act 2007.

Candidates are advised to refer to the Licensing Handbook for the detailed combination of examinations required for the relevant regulated activity.

Candidates are expected to possess good knowledge and understanding of the subject matter provided in the study outline and specified references. In addition, candidates are expected to have relatively strong capability in the application, analysis and evaluation of information in this study outline and its references. It is estimated that this module will require a minimum of 80 hours of study time. Candidates may need less or more depending on the education background and work experience.

Candidates are expected to update themselves with the latest changes relevant to this examination as all questions will be continuously updated to reflect these changes. Candidates are permitted to refer to their own prescribed reference materials during the examination. Note that no prescribed reference materials will be provided by the Securities Industry Development Corporation (SIDC). The prescribed reference materials brought into the examinations by candidates are subject to the terms and conditions of SIDC, details of which are set out in the terms and conditions of the SC licensing examinations.

Candidates are required to comply with the terms and conditions of the SC licensing examination. Severe penalties will be taken against candidates for any misconduct during the examination.

At the end of this study outline are 2 sample questions of various formats used in the Module 19B examination. The samples provided do not in any way reflect the level of difficulty or the subject-matter distribution of the actual examination. They are merely intended to familiarise candidates with the styles of multiple-choice questions used in the examination.
